# MobaXterm 다운로드

The screenshot shows the MobaXterm website's download page. At the top, there is a navigation bar with the MobaXterm logo, links for Home, Demo, Features, Download (highlighted in orange), Plugins, Help, and Contact, and buttons for Customer area and Buy. The main content area is titled 'MobaXterm Home Edition'. It instructs users to 'Download MobaXterm Home Edition (current version):' and provides two download options: 'MobaXterm Home Edition v23.1 (Portable edition)' in a blue button and 'MobaXterm Home Edition v23.1 (Installer edition)' in a green button. The green button is highlighted with a red rectangular border. Below these options, it links to 'Download previous stable version: MobaXterm Portable v23.0' and 'MobaXterm Installer v23.0'. It also states that by downloading, users accept the 'MobaXterm terms and conditions' and provides a link 'here' to download third-party plugins and components. A footer box contains information about 'MobaXterm Professional Edition' and a link to 'contact us'.
